THE LOVE SHACK

This 3 bedroom home is bursting with personality! Step back in time to an era when fun & bright wallpaper was all the rage and high ceilings, picture rails and detailed cornices added a sense of sophistication. The fabulous retro interiors are perfectly paired with an immaculately presented exterior.

Put your feet up and relax in the cosy and spacious lounge room with plush carpet underfoot, vintage pendant light, oil heater encased in brick mantle with reverse cycle air conditioner keeping you comfortable no matter the temperature outside.

This clean and tidy kitchen is the ultimate throwback; with old-school stove, tonnes of storage with overhead cupboards, ample bench space, this can only be described as a very functional and funky kitchen.

The kitchen flows into the dining room, offering large windows for natural light, easy access for family meals or just the catch-up cuppa.

3 generous bedrooms, with large built-in robes in bedrooms 1 and 2. Get ready for the day or a night out by the built-in dressing table and mirror in bedroom 1. Open the concertina doors separating bedroom 3 and the back sunroom to create an easy flowing space, or close them up for your own private haven.

Tiled bathroom comprises of bathtub, vanity, shower with disability rails and separate toilet.

The cheerful wallpaper in the laundry with external access will brighten your every day.
